REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Managing Member
Brokers International Financial Services, LLC
Panora, Iowa

We have audited the accompanying balance sheets of Brokers International Financial Services, LLC (the Company) as of December 31, 2011 and 2010, and the related statements of operations, changes in member's equity, and cash flows for each of the years then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Brokers International Financial Services, LLC as of December 31, 2011 and 2010, and the results of its operations and its cash flows for each of the years then ended in conformity with accounting principles generally accepted in the United States of America.

Brokers International Financial Services, LLC

Notes to Financial Statements

December 31, 2011 and 2010

1. NATURE OF BUSINESS AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

Brokers International Financial Services, LLC is a full-service non-custodial broker-dealer registered under the Securities Exchange Act of 1934, is a member of the Financial Industry Regulatory Authority (FINRA) and is a member of the Municipal Securities Rulemaking Board. Brokers International Financial Services, LLC provides product sales and client service functions to retail investment clients, investing in a variety of registered products including mutual funds and variable products by application. In addition Brokers International Financial Services, LLC offers services through our clearing firm and registered investment advisor. The Company is exempt from Securities and Exchange Commission (SEC) Rule 15c3-3, because the Company does not carry customer accounts and is not required to make the periodic computation of reserve requirements for the exclusive benefit of customers.

Brokers International Financial Services, LLC was approved as a full-service non-custodial Broker Dealer on June 4, 2007. At that time, Brokers International Financial Services, LLC contracted with Pershing, LLC to clear accounts.

The Company is a wholly owned subsidiary of Brokers International, Ltd.

Security Transactions

In accordance with recognized industry practice, customers' securities transactions are recorded on a settlement date basis, generally the third business day following the trade date. Securities transactions of the Company are recorded on a trade date basis. Revenues and related expenses for transactions executed but not yet settled were not material.

Financial Instruments with Off-Balance-Sheet Risk and Concentration of Credit Risk

In the normal course of business, the Company does not carry customer accounts or have clearing activities; therefore it has no off-balance sheet risk.

Accounting Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Brokers International Financial Services, LLC

Notes to Financial Statements

December 31, 2011 and 2010

Cash

At times throughout the year, the Company's cash in financial institutions may exceed FDIC insurance limits. The Company has not experienced any losses in such accounts.

Fair Value of Financial Instruments

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or most advantageous market. The Company uses a fair value hierarchy that has three levels of inputs, both observable and unobservable, with use of the lowest possible level of input to determine fair value. Level 1 inputs include quoted market prices in an active market or the price of an identical asset or liability. Level 2 inputs are market data, other than Level 1, that are observable either directly or indirectly. Level 2 inputs include quoted market prices for similar assets or liabilities, quoted market prices in an inactive market, and other observable information that can be corroborated by market data for substantially the full term of the asset or liability. Level 3 inputs are unobservable and corroborated by little or no market data. The Company uses valuation techniques in a consistent manner from year-to-year. At the present time, the Company does not have any assets or liabilities that would require fair value recognition or disclosures. The fair value of financial instruments classified as assets or liabilities, including cash, accounts receivable, accounts payable and accrued expenses approximate carrying value, principally because of the short maturities of these items.

Advertising

The Company expenses advertising costs when incurred. Total advertising costs were \$15,944 and \$14,821 for the years ended December 31, 2011 and 2010, respectively.

Office Furniture and Equipment

Generally, office furniture is provided by the parent company as part of the expense and operational agreement explained in Note 5. Equipment is stated at cost. Depreciation is provided over estimated useful lives. Maintenance and repairs are expensed as incurred; major improvements and betterments are capitalized.

Intangible Assets

Intangible assets consist of trademarks. Amortization is provided over estimated useful lives by use of the straight line method.

Brokers International Financial Services, LLC

Notes to Financial Statements

December 31, 2011 and 2010

Income Taxes

Brokers International Financial Services, LLC is treated as a partnership for federal and state income tax purposes, and generally does not incur income taxes. Instead its earnings and losses are included in the income tax returns of its member. Therefore, no provision or liability for federal or state income taxes is included in these financial statements.

Primarily due to the single member limited liability company tax status, the Company does not have any significant tax uncertainties that would require disclosure.

Subsequent Events

The Company has evaluated subsequent events through February 17, 2012, the date which the financial statements were available to be issued.

2. COMMITMENTS AND CONTINGENCIES

Net Capital Rule

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (Rule 15c3-1) which requires the maintenance of a minimum amount of net capital and requires the ratio of aggregate indebtedness to net capital both as defined, shall not exceed fifteen to one. The Rule also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio exceeds ten to one. Net capital and the related net capital ratio fluctuate on a daily basis; however, at December 31, 2011 and 2010, the net capital ratio, net capital and excess net capital are as follows:

	2011	2010
Net capital ratio	2.29:1	1.29:1
Net capital	\$ 194,459	\$ 194,287
Excess net capital	\$ 164,770	\$ 177,559

3. INCOME TAXES

There were no material differences between the financial statement basis and tax basis of the Company's assets or liabilities.

4. EMPLOYEE BENEFIT PLAN

The Company has a 401(k) plan covering substantially all employees. The Company contributed \$16,203 and \$13,901 to the plan in 2011 and 2010, respectively.

Brokers International Financial Services, LLC

Notes to Financial Statements

December 31, 2011 and 2010

5. RELATED PARTY TRANSACTIONS

The Company leases office space from its parent, Brokers International, Ltd. under rental agreement that ended August 1, 2011. The Company is currently paying its parent under a month-to-month arrangement while negotiating the terms for a lease extension. Currently the monthly rent is \$2,000. In consideration of the rent, the parent provides all utilities, maintenance and general cleaning of the building, computer network capabilities and IT support. Annual rent expense to Brokers International, Ltd. totaled \$24,000 in 2011 and 2010.

The Company has an expense and operational funding agreement with its parent, Brokers International, Ltd. under which the parent company provides sufficient funds to make certain that the Company's net capital requirements are met and that the aggregate indebtedness to net capital does not exceed 15:1. The agreement also states that other than signage that is specific to the Company, the parent company agrees to pay for repair and maintenance of the leased premises including, but not limited to, flooring, painting, remodeling, and furniture.

The Company has an agreement for additional services with its parent, Brokers International, Ltd. under which the parent company provides human resource services and transfer of funds to the Company. The expense for these services paid to Brokers International, Ltd. totaled \$5,400 in 2011 and 2010. As of December 31, 2011 there was no payable for costs under the agreement with Brokers International Ltd.

6. LEASE OBLIGATIONS

The Company leases various software products under short-term leases. Payments made totaled approximately \$46,580 and \$46,565 for 2011 and 2010, respectively.

We have audited the accompanying financial statements of Brokers International Financial Services, LLC as of and for the years ended December 31, 2011 and 2010 and have issued our report thereon dated February 17, 2012. Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information contained in pages 11 and 12 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

FEB 27 2012

To the Board of Directors
Brokers International Financial Services, LLC

**Washington, DC
110**

In planning and performing our audit of the financial statements and supplemental schedule of Brokers International Financial Services, LLC (the Company), as of and for the year ended December 31, 2011 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including consideration of control activities for safeguarding securities. This study included tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons and recordation of differences required by Rule 17a-13.
2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control and the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A *control deficiency* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the company's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first and second paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures, as described in the second paragraph of this report, were adequate at December 31, 2011, to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, Financial Industry Regulatory Authority, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

Board of Directors and Management
Brokers International Financial Services, LLC
Panora, Iowa

In accordance with rule 17a-5(e)(4) under the Securities Exchange Act of 1934, we have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the year ended December 31, 2011, which were agreed to by Brokers International Financial Services, LLC (the Company) as established by the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc. and SIPC, in evaluating the Company's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). The Company's management is responsible for the Company's compliance with these requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures we performed and our findings are as follows:

1. Compared the listed assessment payment in Form SIPC-7 with respective cash disbursement records entries in the check register noting no differences;
2. Compared the amounts of the audited Form X-17A-5 for the year ended December 31, 2011, as applicable, with the amounts reported in Form SIPC-7 for the year ended December 31, 2011 noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers of income and expense, for the year ended December 31, 2011 noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers of income and expense, for the year ended December 31, 2011 supporting the adjustments noting no differences; and
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed noting no overpayments.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, we did not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We have no responsibility to update this report for events or circumstances occurring after the date of this report. This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
